# CLASS DESCRIPTIONS

## BARRE ABOVE

This class features a total body workout using dance bars, which strengthens and lengthens the entire body to create a lean physique. Combines dance, Pilates, and yoga. All levels are welcome!

## CARDIO + STRENGTH + CORE

A workout combo of body weight exercises and weights to challenge and strengthen core

## CHAIR YOGA

Chair Yoga is a gentle form of yoga that is practiced on a chair or uses a chair as support. This class helps with balance, breathing, strength, flexibility, and overall health. Set in a relaxing environment, you will leave the class refreshed and renewed.

## CORE & BALANCE

Designed to help you become stronger and improve balance. The movements will focus on specific exercises to improve core strength and power around the ankle, knee, and hip joints.

## GENTLE YOGA

This calming, stress-relieving yoga class will help stretch and strengthen the body by building awareness of the breath and the body.

## PILATES

Pilates is a system of controlled exercises done on a mat, blending strength and flexibility training. The class includes core strengthening, as well as overall fitness.

## POP PILATES

An infusion of ab-chiseling and total body defining movements set to upbeat, pop hits. Take classical Pilates to the next level!

## SILVER FIT

Designed for baby boomers and beyond, this class features exercises and activities geared toward improving strength, balance, and flexibility.

## SPINNING

Group cycling is a great form of exercise that is low impact on the joints. It can be as challenging as you make it because you control the resistance of the bike, making it suitable for all levels.

## TAI CHI

Tai Chi is an intricate set of linked poses developed in China to enhance balance, fitness, and longevity. It's highly dynamic, but when executed properly, it constitutes a demanding workout involving the mind as much as the body.

## THE BALANCE CLASS

Designed to help you become stronger and improve balance. The movements will focus on specific exercises to improve strength and power around the ankle, knee, and hip joints. This class is designed for fall prevention and suitable for all fitness levels.

## VINYASA YOGA

A flow yoga class that focuses on breathing and sun salutation variations. It is a more vigorous yoga experience that is a great practice for anyone looking for a physical or mental challenge.

## YOGA

A moderate level of yoga practice with a focus on alignment, balance & breath work, while holding classic asanas of the standing, seated & twisting variety. With regular practice, yoga can increase muscular strength & flexibility, while

## ZUMBA

This class is the perfect combo of cardio and fun! Zumba is what started the dance fitness revolution and changed the way we look at a "workout" forever. Feel the music, have a great time, and learn some new dance moves!

Don't forget to sign up at [YMCA360.org](https://YMCA360.org) to access free live and on-demand virtual classes!

All group exercise classes are free for members unless stated otherwise. Check out the Aquatic fitness classes on our pool schedules!
