CLASS DESCRIPTIONS

ACTIVE KIDS

Join us for this fun new exercise program designed just for kids in grades K-5! Children will take part in both strength and aerobic activities, all taught in a fun and age-appropriate way that teaches kids enjoy exercise and keep their bodies healthy!

BARRE

This class features a total body workout using dance bars, which strengthens and lengthens the entire body to create a lean physique. Combines dance, Pilates, and yoga. For all levels!

CARDIO DANCE

Join us for a dance party! Cardio Dance features simple modern dance moves set to a mix of top 40 and classic hit music. It's an upbeat, energetic and fun workout that keeps your body in motion!

PREVENT T2 *Preregistration required.*

This small-group, classroom-based program helps people with prediabetes eat healthier and increase their physical activity, which can delay or even prevent the onset of type 2 diabetes.

EXERCISE FOR PARKINSON'S

This class is intended for most* people with Parkinson's and does not require participation in the LSVT program. It is geared specifically to diminish movement challenges experienced by people with Parkinson's Disease. Individuals with other neurological conditions are also welcome to join the class. Physician's approval will be required for this class. Classes are ongoing and participants may join any time.

FUNCTIONAL MOVEMENT

This class is a blend of gentle, dynamic stretching and other exercises and movements to increase your energy level, improve flexibility, and enhance quality of life.

MAIN(E) MUSCLES

Learn different ways to work your muscles. This class includes super sets, dynamic sets, and more. Exercises may also include the use of dumbbells, body weight, and stability balls. This class includes a warm-up, pre and post stretch.

LIVESTRONG

LIVESTRONG® at the YMCA is a free 12-week program for adult cancer survivors. Trained YMCA wellness coaches work with each participant as they transition from treatment to regaining their strength.

MINDFUL MOBILITY (Now accepting new participants!)

This 6-week series is for individuals living with Alzheimer's disease, dementia, or memory challenges and their care partners. This program offers gentle mobility, stretching, balance, and strength training for health and wellness. Screening may be required. Participation is confidential.

OUTDOOR WALKING

Meet at the Landing for an invigorating outdoor group walk. Enjoy the fresh air and companionship while getting great cardiovascular exercise.

POP PILATES

An infusion of ab-chiseling and total body defining movements set to upbeat, pop hits. Take classical Pilates to the next level like you've never seen before.

PUMPED UP STRENGTH

Taught by Daneem, Pump Up Strength uses weights and combination movement patterns to dynamically integrate your upper and lower body for a fun, total body workout. This class combines both strength and cardio, revs up your metabolism, and trains your body in a whole new way!

TAI CHI *Virtual for Summer*

A set of linked poses to enhance balance, fitness, and longevity. It's highly dynamic, but constitutes a demanding workout involving the mind as much as the body.

ROCK STEADY BOXING

An exercise program for individuals with Parkinson's. Non-contact program so only our coaches take punches. We do exercises that help improve balance, strength, agility, bradykinesia, reaction time and coordination. Participants must have our physical clearance form filled out and signed.

SILVER STRONG

Designed for baby boomers and beyond, this class features exercises and activities geared toward improving strength, balance, and flexibility.

THE BALANCE CLASS

Designed to help you become stronger and improve balance, focusing on strength and power around the ankle, knee, and hip joints. This class is designed for fall prevention and suitable for all levels.

TOTAL BODY TRAINING

This class will blend a variety of movements to give your entire body a great workout! The exercises are performed in intervals to rev up your metabolism, providing a good cardio/

ZUMBA

This class is the perfect combo of cardio and fun! Zumba is what started the dance fitness revolution and changed the way we look at a "workout" forever. Feel the music, have a great time, and learn some new dance moves!

YOGA CLASSES:

GENTLE YOGA

This calming, stress-relieving yoga class will help stretch and strengthen the body by building awareness of the breath and the body.

YOGALATES

Yoga and Pilates work together in this class to stretch, strengthen, and reduce stress. Nothing maintains and improves flexibility like yoga and nothing strengthens the core better than Pilates. Together they provide a full workout that leaves you relaxed, renewed, and ready to enjoy life.

YOQI: Yoga + Qigong

This class combines two ancient, complementary practices for health and longevity: the static postures of yoga to build strength and flexibility, along with the gentle, flowing movements of qigong to enhance suppleness and agility. A wonderful way to renew energy and clear the mind.
